

# Spanish Courses

**Our Spanish courses provide students with a unique opportunity to practice the language in the classroom while being immersed in the culture. Our program is internationally recognized for our students' mastery of Spanish language as they develop linguistic skills that allow them to communicate effectively in a personal, academic, and professional context.**

***We offer an intensive Spanish program which covers the following:***

- 10 levels
- 80 hours per level
- 4-week courses
- Classes given Monday to Friday from 9:00 to 13:00 hours
- Two professors in every level allowing students to be exposed to different teaching strategies and giving them more opportunities for interaction

## Culture classes:

**If you want to complement Spanish with a little bit of culture, we have 40-hour culture classes in the following topics:**

- Mexican Folklore
- Mexican Film Industry
- Mexican History
- Mexican Literature
- Tourist Services in Mexico
- Entrepreneurship in Mexico
- Science and Technology in Mexico
- Medical Services in Mexico
